PRIDE

A striking, Japanese-style washer WC featuring a remote control and customizable comfort settings

Introducing our innovative Wall Hung Rimless Washer Bidet WC, the ultimate in smart toilet technology.

This washer toilet features auto wash and blow dryer functions, providing a hands-free and hygienic experience. The heated water and auto de-scaling capabilities ensure a comfortable and clean wash every time. Plus, the built-in night light adds a touch of convenience for late-night trips to the bathroom. The easy to remove, anti-bacterial seat, along with manual and Bluetooth remote control functions, makes maintenance and control a breeze. With an easy clean glaze and rimless design, cleaning is made simple and thorough. And with its 4/2.6ltr Eco flush, you can rest assured that you're making an environmentally-friendly choice.

Say goodbye to traditional toilets and upgrade to the future of bathroom technology with our Wall Hung Rimless
