tapa concrete

Introducing Tapa Concrete, the epitome of industrial chic for interior walls and floors. Crafted from rectified porcelain, these tiles authentically replicate real concrete, welcoming a refreshing atmosphere that's both timeless and contemporary. With a durable porcelain construction and rectified edges, they offer a seamless finish that exudes sophistication. The replication of concrete, coupled with their natural matt finish, adds to their appeal, while the versatile size options allow for creativity. With three distinct colours available, it's easy to achieve a personal style.

ceramic

Featured: Riad - Grey

riad and sahn

Inspired by traditional zellige tiles typical of Moroccan guest-houses, this indulgent collection stands out for its vivid colour palette and artisan, handcrafted appeal.

Manufactured from white body ceramic, a collective of 10x10 wall tiles are offered across nine distinctive hues each available in two finishes. Riad displays an intense gloss finish emphasised by the uneven surface texture, whilst Sahn pursues a chic, matt facade.

This rich variety of shades can also be enhanced further, we recommend combining both Riad and Sahn together in coordinating colourways to produce a highly tactile composition for your interiors.

rialto

Discover the Meet Me and Twister range of tiles, a perfect blend of style and functionality. Crafted from durable porcelain, these tiles boast a realistic terrazzo effect featuring a speckled design with chunky flecks, adding a unique character to any space. They come in a sophisticated grey or light grey colouring, complemented by a matt finish that enhances their elegant appearance. Each tile, sized at 598x598mm with an 8mm thickness, has rectified edges ensuring a clean, uniform installation, and offers random printed face variations for a natural, varied look. Ideal for both interior walls and floors, these tiles are not only aesthetically pleasing but also practical, with an R9 anti-slip rating.

fs tradition

These FS Tradition take inspiration from the traditional artisan firing technique 'raku' from Japan that is famous for its masterful look. The tiles are designed in a hard wearing white bodied ceramic format with a striking crackled glaze and a combined matt and gloss finish, giving these tiles an antiqued, handmade quality.
